

John Crippen – Graphic Design Agreement

Graphic Design is essential to any business. The perception of a business is weighed heavily on first impressions and it's important in today's competitive market to take advantage of any opportunity set your business above the rest. We offer digital design, hand drawn design, photography, or any combination there of. A clean simple logo can often be created for as little as \$50.00 (1 hour). If the image is more complex, the project can be priced by the hour or by flat bid. Along with the designing of the graphic, bulk orders of postcards, business cards, and other printed items can be made available. Pricing for printed items is market dependant and varies on quantities as well. **Printed materials** must be paid for in advance.
